

Message from the Chair

Chair Nanda Lwin, P.Eng. (left) welcomes Premier Kathleen Wynne (then Liberal leadership candidate) to Willowdale/Thornhill PEO Chapter's 50th Anniversary celebrations at the Bayview Golf & Country Club on November 24, 2012.

The last few months have been incredibly eventful and ambitious for the Willowdale/Thornhill PEO Chapter.

The chapter, founded in 1962, turned 50 in 2012. Our ongoing celebrations of this milestone culminated in a lavish dinner and dance on November 24 at the upscale Bayview Golf & Country Club in Thornhill, primarily organized by Vice Chair Vimbai Munyai, P.Eng. As Chair, I couldn't be more proud. We welcomed old friends, colleagues, past chairs, MPP's Glen Murray and Michael Coteau, and then Liberal leadership contender and now Premier Kathleen Wynne.

As a chapter, we have had several seminars offered to our members. Since I last wrote, we hosted a talk on will and estate planning, a seminar on managing stress, and a technical presentation by member Michael Sommerstein, P.Eng., about building sci-

ence. Our seminars run the gamut from personal finance to well-being to technology, a reminder of the diverse and wide range of interests of our membership.

Our two most recent certificate presentations were held in December and March, where we initiated newly licensed professional engineers. In all, we ushered in 90 new engineers at the Holiday Inn in Markham working in various specialties of engineering.

For National Engineering Month, we paid tribute to our profession the best way we know how: we held an open forum for high school and college students introducing them to engineering and the different disciplines. Past Chair Changiz Sadr, P.Eng., FEC, spoke of the virtues of communications infrastructure engineering, Vice Chair Munyai talked about chemical engineer-

ing, while mechanical engineer Badree Khorasani gave a talk on her discipline. Meanwhile Joseph Ciccone, CET, chair of the Toronto Chapter of the Ontario Association of Certified Engineering Technicians and Technologists lectured on the advantages of becoming a technologist.

The PEO Council elections, held online and by phone in the winter, resulted in two of our members getting elected. In a spirited race that saw two Willowdale/Thornhill members go head to head, the aforementioned Changiz Sadr, P.Eng., FEC, sailed to an easy victory as a new East-Central Councillor. Meanwhile Roger Jones, P.Eng., won a tight contest, regaining his seat as a Councillor-at-Large.

All in all, we've had a good run. However, all good things eventually come to an end. And my chairmanship is no exception. It is now the end of my second and final term, and my time is up. By the time you read this, it is quite likely that someone else is playing the role of chief executive, leading the pack. It has indeed been a pleasure and an honour to have served as your chair. I thank you for the privilege.
